

**Mennonite
Camping
Association**

February 7, 2019

Greetings from the Mennonite Camping Association!

In my camping career, I've often wished that SOMEONE would know exactly how it feels to be on call, to work week-ends and holidays, to work extended hours during the week, to work sometimes way into the night, and to have everything you do be under scrutiny of the community at large.

But most times I am thrilled to be in the camping ministry, the most result oriented kingdom building activity on the planet. What a privilege, then, to be able to share with like-minded persons and laugh and talk together.

That's where the Mennonite Camping Association comes in. No words can express the value of fellowship across church, state, and provincial lines as we move forward in this dynamic and changing ministry. We hope that you will join or renew your membership to MCA and be with us at one of our regional 2019 MCA events and the big bi-national 2020 event at Spruce Lake in Pennsylvania. MCA is one of the last truly bi-national organizations in the Mennonite Church and we value your presence.

I also want to hear what you think MCA can be doing. Please don't hesitate to email me at bluegrass774@hotmail.com with your thoughts and ideas. I hope to see you at one of our events!

Sincerely,

Keith Zehr, President, Mennonite Camping Association
