MCA VIRTUAL GATHERING

MCA SETS ATTENDANCE RECORD FOR REGIONAL GATHERING!

Ok, so that headline is a bit misleading since the regional gatherings for 2021 were combined into one virtual gathering. But the fact remains that approximately 80 persons from 27 different camps and organizations joined together online in March for a time of worship, fellowship, workshops, and breakout group gatherings. Bluffton graduate and Laurelville alumnus Sam Stucky sang some beautiful worship songs to get each day started. Keynote speaker Jim Loepp Thiessen shared what God might possibly be saying to us during this unique season. It was wonderful to see so many friendly faces as well as some newer ones joining us.

In my 28 years of association with MCA, I appreciate more than ever our purpose and vision statement, which says in part, "The Mennonite Camping Association is committed to being a connecting place for camping ministries from across the Mennonite/Anabaptist faith tradition. We recognize the diversity in our membership and denominational affiliates and allow members to adopt their own statements of faith. We seek to connect around our common interests in sharing Christ, faith formation, creation care, and leadership development through Canada and the United States." Two parts of this jump out at me: that we are primarily a "fellowship" organization that does not attempt to set doctrinal belief paradigms for our members, and that we are one of the few denominational organizations remaining that continues a close association between Canadian and American members. This was quite evident in our time together at this virtual "regional" gathering.

Thanks to all who attended. We certainly hope you can all join us at the Bi-National MCA Convention at Spruce Lake in Canadensis, Pennsylvania, March 21-24, 2022!

MCA NEWS

Mennonite Church USA convention (MennoCon21) is a hybrid event this year. MCA camps will be represented at MennoCon21 with a virtual booth and a physical booth in Cincinnati, OH. More information and details of the exhibit(s) will be available closer to the convention time.

At the **MCA virtual gathering's director's round table** the topic of Employee Retention Tax Credit (ERTC) came up briefly. First, thanks to the director who brought that up; here at Camp Deerpark we had misunderstood the parameters of that program. Secondly, a brief phone call with our payroll company set us up to avoid FICA payments for the rest of 2021. (With the exception of the months that we are using our PPP funds.) - Ken Bontrager, Camp Deerpark
