MCA WEBSITE UPGRADE

Reminder to all MCA Member Camps:

The Mennonite Camping Association is working to upgrade their website, and with that the redevelopment of it's camp directory. Each member camp will be given a directory page of their own, containing information answered from your submitted directory form including photos. If your camp has not completed it's form please do so by clicking here: <https://goo.gl/forms/4vNrPyh6xIfmbSlrI>

This directory is not meant to be an exhaustive list of all that your camp has to offer; it is merely a guideline of what you offer with direct links back to your website and complete contact information.

Please complete the form and send at least SIX of your favorite, timeless, photos by February 1st, 2019. Questions and photos can be sent to Erin at mennonitecamping@gmail.com. Thank you!
